General Description

Travaasa is a new destination hotel collection, created with the goal of uniting a variety of customizable experiences with spectacular natural locations. Located in Austin Hill Country only 30 minutes from eclectic downtown Austin, Travaasa Austin is nestled into 210 acres of the Balcones Canyonlands Preserve overlooking beautiful Lake Travis. Travaasa Austin boasts 70 guestrooms located within seven lodges interspersed along meandering paths allowing guests to soak in the natural habitat of the local Hill Country in a serene campus setting. The property includes horse stables, a challenge course designed in partnership with Outward Bound, a fitness center, a wellness studio, an infinity-edge pool, a beautifully appointed dining area with outdoor patio and exhibition kitchen, a tranquil spa and gracious accommodations.
