

GOLF

Located adjacent to Travaasa, the exclusive Twin Creeks Country Club boasts a championship golf course, recognized as one of the finest in Texas. With a delicate balance of challenge and fun, it creates an exceptional golf experience for every level of player. The 7,033-yard, par-72 course is the first in the Austin area to be designed by Masters Champion Fred Couples, who made the most of the course's gorgeous natural setting. The picturesque 195 acres of dramatic rolling terrain are highlighted by low-lying ravines lined with limestone outcroppings and century-old oak and pecan trees, while the namesake twin creeks traverse the entire course, resulting in stream crossings and natural water elements that come into play on 13 of the course's 18 holes.

Although Twin Creeks is a private club, guests of Travaasa are invited to enjoy it during their stay. Tee times are arranged through the front desk.
